

# QUICK FILL KITS

SINGLE TANK INSTALLATION: Part # 500 WWQF100

TWO- TANK INSTALLATION: Part # 500 WWQF200

OVERFLOW HOSE INSTALLATION: (Optional)

C&R Supply has put together a kit that gives you everything you need to add a quickfill system to your new or existing tank setup on your planter. Easy to install on a one tank or two tank fertilizer system. Quickly fill tanks from the bottom. Contains an optional overflow hose for unexpected overflow.

For questions on installation contact  
C&R Supply at 1-800-232-2637
